REGENERATIVE TREATMENTS

Anti-aging strategies to help boost your skins natural collagen, elastin and cell turnover. Reduce the aging clock with these treatments, while also reducing the appearance of scars, fine lines, wrinkles, and hyperpigmentation.

Skin Pen Microneedling (60 min) \$350

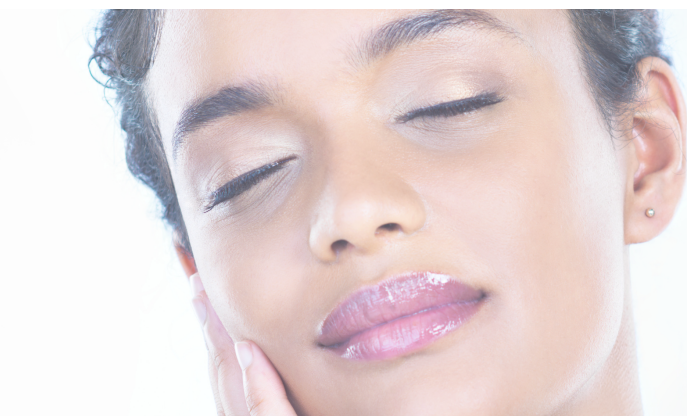

The first FDA-cleared microneedling device, Skin Pen reduces the appearance of acne scars, fine lines and wrinkles.

Skin Pen Microneedling with PRP (60 min) \$700

Boost the benefits of your microneedling treatment by adding Platelet Rich Plasma. PRP is the nutrient dense part of your blood that results after being spun down in a special centrifuge machine. The PRP is added while the microneedling treatment is being performed to enhance collagen production. Leaving you with skin that is tighter, brighter, smoother and looks younger.

Note: Regenerative treatments are recommended to be done in a series of three spaced 30 days apart to receive optimal benefits.

A 20% discount is given on all packages.
